

# Lucy Rosenbloom

Monroe Library, Loyola University New Orleans  
6363 Saint Charles Ave., New Orleans, LA 70118  
(504)864-7052 | Lrosen@Loyno.edu

## EDUCATION

**Master of Library and Information Science (MLIS)** **2017**  
*Louisiana State University*

**Bachelor of Arts (BA) in American Studies** **2011**  
*University of California, Berkeley*

## EXPERIENCE

**Monroe Library, Loyola University, New Orleans LA** **2014 – present**

Systems & Information Resources Librarian, Assistant Professor (August 2017 – present)

- Coordinate the library's information systems capabilities by integrating multiple technology products to facilitate search, discovery, and delivery of library resources
- Act as the systems administrator/liason in communication with LOUIS Consortium on systems matters
- Co-lead the Web Team (beginning 2021) and serve on the Teaching & Learning Team

Interim Systems Administrator (August 2015 – July 2017)

- Ensured interoperability of multiple systems (discovery layer, link resolver, integrated library system, and journal holdings management)
- Supervised student worker on graphic design projects for library website
- Managed customization of library discovery system, beginning with creating the implementation plan for Jan 1, 2016 system migration

Continuing Resources & Web Services Specialist (March 2015 – August 2015)

- Participated in website and integrated library system maintenance
- Prepared usage statistics and led annual serials subscription review meetings

Serials & Stacks Assistant (September 2014 – March 2015)

- Maintained and facilitated access serial subscriptions

**Center for Public Service, Tulane University, New Orleans LA** **2011 – 2013**

Tulane Americorps VISTA Member – Partner Site: Southern Food & Beverage Museum

- Created internship opportunities for undergraduate students at the Southern Food & Beverage Museum that met a component of the University's public service graduation requirement
- Developed class assignments that enabled students to engage with the museum while meeting the course objectives as defined by the instructor
- Collaborated with group of thirteen volunteer curators to secure artifacts and create exhibit plans
- Implemented the use of collections management software to track artifact donations
